

The diagram illustrates a ship's deck layout with four main quadrants: FORE, AFT, PORT, and STARBOARD. Each quadrant is represented by a large colored sector (orange for FORE and AFT, yellow for PORT and STARBOARD) meeting at a central blue ship silhouette. At the outer edge of each quadrant is a dark red rectangular box. Within each of these boxes, there are two smaller white rectangular boxes. The top white box in each quadrant is labeled 'DEFENSE' in a dark blue header, and the bottom white box is labeled 'CURRENT' in a light blue header. The labels 'FORE', 'AFT', 'PORT', and 'STARBOARD' are written in white capital letters on the dark red boxes. The central ship silhouette is blue with a white outline, showing a hull and a small superstructure at the stern.
